Succumbing to the realities of this economy, we've relocated our living space to the address on our [Contact page](#) . The new location remains in the same school zone, so the girls won't be affected there. In fact, we're hoping to stay here until Olivia graduates in 2013. Many thanks to Jill, Marianne, Don, Val, Kathleen, Kirk, Parker, Connor, Katylin, Jake, and Kat for all your help getting us moved in. You are friends indeed. We hope to return the favor in some way soon. Good-bye Riesling Way. You are a bittersweet memory of a time perhaps more artificial than real.
